

## **82<sup>nd</sup> ENCR Steering Committee (SC) Meeting and Meeting of the JRC-ENCR Management Committee minutes**

**Date and place:** 01 December 2022, Videoconference

**Attendees:** ENCR SC (2021-2023), JRC-ENCR Management Committee, Representatives from the European Commission Joint Research Centre (JRC)

### **Overview on ENCR CRs**

In the context of exploring on funding opportunities for the ENCR registries, it was agreed that a deeper understanding of legal and/or administrative affiliations for the registries in their own country is needed. This could be achieved through a survey to the registries, to update the latest information available, dated 2010. The new survey should be run at the beginning of 2023.

### **ENCR SC composition**

Two vacancies were still available within the ENCR SC. The SC agreed on possible new members to be invited as co-opted.

### **ENCR recommendations and Working groups**

- The recommendation on Standard Dataset was ready for consultation to the registries.
- Work was ongoing for the Working groups dealing with **Tumour Recurrences**, **Treatment Data Harmonisation**.
- Two Working Groups addressing Neurological tumours and Haematological malignancies should be established.
- The possibility to establish a recognized profile for cancer registrars among the regulated professions in the European Union was discussed.

### **ENCR Training and events**

An ENCR Webinar on the Basis of Diagnosis and Date of Incidence took place on 30<sup>th</sup> November online, with more than 100 participants. Training on Urothelial Tumours was under preparation.

### **Next ENCR conference**

The 2023 ENCR conference will be held as a joint ENCR-IACR event, on 14-16 November 2023, hosted by the Andalusian School of Public Health in Granada, Spain. The event will be co-designed with IACR.
